CENTRE FACILITIES

Our centre has a wide range of facilities, including:

- A spacious common room with inglenook fireplace and toilet facilities
- A large kitchen which offers a full range of cooking equipment, cutlery and crockery with a choice of self-catering, assisted catering or full board available
- A dormitory building, which sleeps up to 40 people in eight rooms together with shower and toilet facilities (see Centre Map in Downloads section for layout)
- Picnic tables (x6) for eating out or running activities
- The centre is centrally heated throughout, making it warm and comfortable all year round
- We have wheelchair access to all parts of the centre
- Full bedding is available if required (see Downloads section here for suggested kit list)
- A large green area suitable for outdoor activities or camping
- Dixon Lodge: a separate building with two smaller rooms suitable for running activities /meetings/ a crèche /training and home education groups.

You can find photos of the site on our Gallery page as well.
